Report of Principal and School Improvement Council

Wellford Academy of Science and Technology is a community school located in western Spartanburg County. We are privileged to educate over 350 students from preschool through 4th grade. In addition to serving students in our attendance area, we also had over 50 students to attend our school through the district's school choice program. Our first year as a magnet school was filled with enthusiastic achievement, excitement for learning, and wonderful challenges that encouraged us to grow academically.

While focusing on integrating science and technology into all areas of curriculum, we also continued to keep improved student achievement in all areas as our top priority. Students were taught reading and math strategies through large and small group instruction designed to help each child reach individual goals. Students also received lessons in the Science lab each week in addition to classroom instruction. Furthermore, in our second year of implementing a German Language program, students in first through fourth grade were able to learn another language through weekly lessons in the German classroom.

At Wellford Academy, we all are part of a community of learners. We work in cooperation with area universities to train prospective teachers. Our faculty members also participate in many worthwhile professional development activities, such as the pursuit of advanced degrees, technology training, group and faculty book studies, web seminars, and peer sharing/observations.

The mission of Wellford Academy of Science and Technology is to promote the academic, social, and emotional growth of all children by providing quality educational opportunities in a safe, caring and nurturing environment. The programs and activities we offer, such as Response to Intervention (RTI), morning tutoring, clubs, fine arts activities, character education lessons, family nights, parent workshops, universal free breakfast, as well as numerous academic activities, help us to put that mission into action.

The community plays a vital role in helping Wellford Academy of Science and Technology to educate our children. We are fortunate to have many involved parents, an active parent/teacher organization (PTO) and a dedicated school improvement council (SIC). Our faculty is proud of our accomplishments, and we thank all of our stakeholders for making this the most wonderful place to learn!

No Child Left Behind

School Adequate Yearly Progress YES

This school met 13 out of 13 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

School	Improvement Key
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
